

Schwarzkopf
PROFESSIONAL

Together. A passion for hair

is our point of difference, and is the unique pulse which unites our business with our salons and consumers. Our daily goal is to bring that passion for hair to life.

ASK

Education

FOR HAIRDRESSERS

The passionate individuals behind Schwarzkopf Professional ASK Education are experts in our brand and at their craft of hairdressing. Their goal is to help you elevate your skills while empowering you through education. Passion drives them, education fuels that passion. We are here to strengthen your skills in hairdressing and to inspire you with innovative seminars and artists. Join our team in this journey to elevate your career to new heights.

Together. A Passion For Hair!

How to Apply to become an ASK Team Member

- Personal and organizational growth goes hand in hand
- We provide a team culture that allows you to fulfill your potential & learn from the industry's top talent, and participate in making a creative impact
- Greater self-awareness will significantly enhance your ability to execute with excellence and advance in your career

The onboarding process and career path is based on each individual and their drive to excel with excellence.

INTERVIEW AND PROCESS

Submit a letter of intent, resume, head shot of yourself, bio, and portfolio of your work (can be a link to your social media), to your Schwarzkopf Professional Regional Education Manager
