ZENAGEN

THE FUSION OF BEAUTY & SCIENCE

The fusion of Beauty & Science. The hair growth category is one of the fastest growing segments in the beauty industry. Learn how male and female pattern baldness, androgenic alopecia, as well as other hair loss causing conditions including thyroid complications, postpartum hair loss, and medicine related hair shedding are more prevalent today than ever before. More than 70% of salon clients will benefit from one of the two Zenagen product lines.
